**“My School Teachers Said I'd
Never Amount To Anything...
But I Raised Myself From
A Dead End Job To Making
\$16,000 A Month (\$192,000 A Year)!**

You Can Too If You Use My Secret.”

Dear Friend,

My teachers said I'd never amount to anything. Now I make more money than any of them could ever imagine.

And let me tell you, it was not because of anything I learned from them.

In fact, I was aimlessly wandering from dead end job to dead end job, pretty much as my school teachers had expected.

Then one day I stumbled onto a way to make BIG money and it put an end to all my money worries . . . and the hopelessness my teachers saw in me.

By the time I caught my breath, I was making about \$16,000.00 a month!!! (That's \$192,000.00 a year!)

Could you use that kind of money? I hope so because, with your permission, in the return mail, I will send you complete details on how you can get into the very same business that made us all that money. And the best part is. . . .

It Will Be Entirely At My Risk!

I'm so positive that my program will work for you that I'll let you test it at our risk. I'll send you my start up package in the return mail. Then, you follow the simple instructions I give you and see for yourself just how fast and easy the money comes pouring in.

I'll let YOU be the judge. If you are not absolutely amazed and astounded at the income you generate, just return our program

(go to page 2)

-- ANYTIME -- for a fast and courteous refund. Do it anytime.
This is a LIFETIME MONEY BACK GUARANTEE.

But you'll probably be more concerned about all the money
you're making because. . .

**You Could Be Making As Much Money
As F.A. Glaser Or Jay Peterson:**

"I have used your information and customized it with an idea of my
own and made over \$20,800 in one month!"

F.A. Glaser
Washington

". . . started working your . . . methods in January of 1989, less
than 2 years later, we have built a huge business with 65
employees and look forward to at least \$5,000,000 (Five million
dollars!) in annual sales."

Jay Peterson
Utah

Now understand that no one can guarantee that you will do as
well as F.A. Glaser, Jay Peterson, or the many others we are going
to tell you about. On the other hand, you might do even better.
It all depends upon you, and whether you are willing to apply
yourself in accordance with our instructions.

This is not just another get-rich-quick scheme that will
either fizzle, if you lack some unique skill, or take forever
before you start making money.

And There Is No Need To Quit Your Job
As These People Have Discovered. . .

Merline Limb

"We are working just a few hours a week and our income is about \$4,000.00 a month!"

Wayne W. Mayfield

"I've worked part-time and made \$400.00 to \$500.00 a month for several months now."

Ty Block

"No doubt, it is the most spectacular business in my life. I'm making \$500.00 a week. It's small, I know, but I'm only working a half-hour a day. Your programs are hot and valuable."

You Can Even Earn Money While You're Not At Home. . .

Which means that you can keep your present job until you start making enough money to quit and be your own boss.

If that sounds good to you then I have a feeling you're gonna love this business.

Just think of it. No more long commutes to work in heavy rush-hour traffic. No more putting up with being mistreated by your boss or fellow employees. No more being passed up for promotion by less qualified people.

And you'll be able to take vacations when YOU want to rather than when it fits in with everyone else's schedule. There's no reason to give up earning money while you travel because, with our program. . .

You Can Even Make Money While You're Asleep Or On Vacation

"Your . . . program has made it possible for my wife and myself to take our first real vacation in over four years of marriage. What I like best is that I can be making money 365 days a year and not have to be home to do it. This allows me to work my other job until I grow to the point where I can leave. Right now I am making about \$700.00 per week using your methods. Thank You."

Robert Steward
Wisconsin

And I Expect You To Have Fun With My Program

What good is it to have money if you can't enjoy it? What good is it to make all that money if you hate your job or if you hate what you have to do to make money? No. I firmly believe that you should ENJOY what you're doing as well as make money at it. That's why my program is made to be fun as well as profitable.

"Having fun making money. More like a hobby than a job. Grossed \$500.00 the first day and \$2,000.00 the first month."

Frank A. Demolli
Florida

And how can you enjoy what you're doing if you have to do all the hard work yourself and worry about things that are difficult or impossible for you to do?

(go to page 5)

That's why I've formed a company called M.O.R.E. It stands for Mid-American Opportunity Research Enterprises, Inc. and its job is to make it as easy as possible for you to make a lot of money. When you work with us you will find, just like others before you, that M.O.R.E. is here to help you, if you need it. . .

"Our income has more than doubled in the last 6 months, and I know it will grow even more in the next 6 months. Dealing with M.O.R.E. has been a great experience."

Rodney Hampton
Tennessee

And please don't think that my program requires you to use M.O.R.E. to be successful. In fact, I'll show you how to use my program without any help from me or M.O.R.E. And, quite frankly, many have gone on to make a bundle of money without us.

Nevertheless, if you need the help, M.O.R.E. and I are here for you. However, my program is so easy to do that. . .

**People Of All Ages Are
Making Money With Our Program**

"I sent away for your program and made \$1,000.00g my first week! I am only 19 years old. . ."

Hasting Albo
Hawaii

If a 19-year-old can make that much money using my program, you should be able to make a bundle also, shouldn't you? Of course you should. So get started now. Multiply your income like these people: (or maybe you can do better!)

"I have now more than tripled my income with your program from \$500.00 a week to almost \$2,000.00 a week!"

Keith Klopman
Ohio

"From 0 to \$10,000.00 a month in less than a year! Thanks, Eileen and T.J.!"

Don and Barb White
Ohio

**A Product You Can Be Proud Of -
A Product You Can Make Money With. . .**

I found that there were three major problems with most other business opportunities:

1. The product had little mark up -- so you couldn't make a decent profit. Or,

(go to page 6)

2. There was too little demand for the product -- so you would likely get stuck with unmovable merchandise. Or,
3. They wanted you to sell the product for too high a price -- so no one would buy it.

Well, NOT with my program. My program is better for you because:

1. You Get Products That Are Very Appealing To The Marketplace.

I know because they are currently being sold in healthy numbers and we have only scratched the surface.

2. You Get Products That Give You A Profit Margin You Can Really Make Money With.

Because your cost is as little as \$3 each and because your customers are happy to pay you up to \$24.85 each (and at this price they feel they've got their money's worth), you stand to make a bundle - and do it honestly.

"I finally have a product with enough profit margin and public response to make money. I ran one ad and made \$1,200.00."

Terrie Hoffen
Illinois

"It is real easy, a simple but very effective cash generator. Every time I use it I always make money."

Ross Allen Miller
Virginia

And remember, with my program, you will still have plenty of time to be with your family, take vacations, or work at your regular job - until you're convinced that you can make more money this way. . .

"Since I've been using your program, I have more money and time than I ever thought possible. My first week I made \$1,300 and since then I have increased my profits to well over \$2,500 per week. The service you provide is fast and unmatched. God Bless You."

David Ruzzo
Rhode Island

"More time at home -- have almost tripled my income. I took over \$800 out of my mailbox this morning! \$7,700 in October 1990. I

(go to page 7)

know I've made over \$30,000 in the last 6 months (and then some). I believe y'all are perfect!"

Sid Zimmerman
Virginia

"It's allowed me to do more quality things and take out more quality time with my family, that up until recently, I wouldn't have been able to do. I've made over \$10,000.00 within the last three months."

Sonia McMillan
Michigan

**If You're Skeptical, That's OK
Because Some Of The Most Successful People
Now Using My Program Were Skeptical At First. . .**

"At first I was skeptical about the program. However, the high expenses from my clothing business caused me to seek out other business opportunities. Therefore, I decided to try your program. It was the best investment I ever made. Over \$9,000.00 so far working part time!"

Jerry Goldberg
Florida

And remember, you get a lifetime guarantee as well as support from M.O.R.E. -- a company which realizes that. . .

WE Make Money By Helping YOU Make Money

If you've tried other business opportunities, you know that this support is something very few other companies are willing to give you. It's an added bonus that you will come to value highly.

"I have worked many programs but never had the support your company offers. I'm well on my way to making my projected income of \$25,000.00 a month."

George Weathawk
Illinois

"Your company training has enabled me to net around \$6,000.00 a month!"

William Jink
Oklahoma

"I make several hundred dollars each time I use this program, and the turn-around time is usually three to four days. You are always willing to help me in any way you can . . . and the service is fast."

Ronald T. Herchold
Texas
